## **Declaration of support for Tromsø as European Youth capital 2026**

The Regional Youth Council of Troms (UFR) is impressed by Tromsø's commitment and believes they are a pioneering municipality that represents both the county and the region in the best way. We see qualities with Tromsø that stand out and are in international class when it comes to focus on youth and the future. Representatives from UFR have participated in the workshops and development of the application for Tromsø as European Youth Capital 2026 and highly support the application.

Sincerely,

Parahini Parabaran  
Elected leader of the Regional Youth Council of  
Troms and Finnmark
