Declaration of support

Youth Work Norway hereby declares its support for Tromsø's candidacy for European Youth Capital 2025 and their ambitions to increase youth participation and young citizenship in the city and in the region.

Youth Work Norway is an umbrella organisation representing the interests of users, youth workers and volunteers in leisure and youth centres with a municipal anchoring. Our 670 member centres and clubs are used by more than 120 000 children and young people frequently, and they employ about 2500 youth workers. Our vision is that all children and young people shall experience a relevant and safe youth center where participation and co-creation provides them with increased competence, dedication, and sense of local belonging.
